#### **ACCOUNTANT'S COMPILATION REPORT**

Honorable Mayor and Board of Aldermen City of Battlefield, Missouri

Management is responsible for the accompanying financial statements of the City of Battlefield, Missouri (City of Battlefield – a government entity), which comprise the balance sheet – modified cash basis as of September 30, 2016, and the related statement of revenues and expense – modified cash basis for the three months then ended in accordance with the modified cash basis of accounting. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The City's financial statements are not presented in the form required by the Governmental Accounting Standards Board nor are the supplementary schedules required by the Governmental Accounting Standard Board included. Management has not determined the effect of these departures on the financial statements. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the modified cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the City's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

#### Supplementary Information

The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to our compilation engagement, however, I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

I am not independent with respect to the City of Battlefield as of and for the three months ended September 30, 2016, because I performed certain accounting services that impaired my independence.

This report is intended solely for the information and use of the mayor, board of aldermen, and management of the City of Battlefield and should not be used for any other purpose.
